Red Ribbon Week

Thanks to all the teachers, parents, and students for making Red Ribbon Week fun, fierce, and educational. We appreciate all the students who dressed up and participated in the activities and events of the week, parents who helped put together costumes and supplied food for the potluck, and all the teachers who adjusted their class schedules around the themes. From the posters, poems, and raps the kids created to the end of week Memorial Service; we were greatly impressed by the amount of creativity, thought, and understanding the CPSOA students put into Red Ribbon Week... Thanks!!!

Dress Code Reminder

Now that Red Ribbon Week and Halloween have passed, we wanted to remind everyone to get back to coming to school in CPSOA dress code. School Colors only!!! Blue, Purple, and Green with a little Black... students cannot be in all black or grey or pink or brown... only school colors... NO Jeans... clothes that they can dance, run, and play actively in are required... Tennis Shoes are the only acceptable shoe... Thanks for your diligence in sending students to school in proper CPSOA dress code.
