Winter Musical Rehearsals

December has arrived as we intensify our final rehearsal push for the Winter show... only 2 weeks before Christmas Break. Students who wish to be in more of the show, should make sure that they stay after-school regularly in order to learn the material. During this time, we ask that students do their best to not miss school. Students should also make sure that they sleep well, eat healthy meals, and stay warm; to be at their best during rehearsals. Again, absences and tardies should be eliminated during this time to insure a fierce show. Please postpone any routine dental check ups, etc until after the show if at all possible...

As we near the Winter Musical rehearsals, students will need to acquire the proper dance shoes to perform in:
