In exchange for a reduced tuition rate, what would you be willing to contribute to Creative Planet? (i.e.: volunteering at shows and special events, providing transportation for field trips and performances, etc.)

My parents and I understand that receiving a Creative Planet Scholarship means that I must attend Creative Planet Academic classes from 8:30am – 3:00pm and After-school Arts classes from 3:15pm – 6:00pm Monday through Friday. I will also be required to perform in shows, special events, etc. as a representative of Creative Planet. Frequent unexcused absences, disruptive behavior, or negative attitudes will result in the loss of my scholarship. Excused absences are defined as those used for sickness or family emergency. My parents and I further understand that I must maintain a B grade average and be committed to being focused, disciplined, hard working, and positive in order to keep my scholarship status.
